Affordable, **speedy** and ready for business

**Outstanding value.**

**With the Xerox Phaser 3150 laser printer, you get so much – for so little.**

- A print speed of 22 ppm. Plus, the first page appears in 10 seconds – perfect for getting ahead of business.
- 32 MB of memory. It tackles large documents with ease.
- A **laser** printer for less? With such great features, you'll wonder how we keep it so affordable.

**Convenience built-in.**

**Everything about this printer is easy – printing, loading, customizing – even finding a place for it is effortless.**

- Offers N-up, watermark and poster printing, so you don't have to go elsewhere for custom print jobs.
- Tired of reloading paper? Its deep 250-sheet main paper tray and 50-sheet multipurpose tray let you spend more time printing and less time loading.
- From envelopes to note cards, it supports a wide range of media and sizes.

**Exceptional quality.**

**The last thing you want to worry about at work is how your printer is going to perform. So don't.**

- With 1200 dpi image quality, you can expect professional results every time.
- It's incredibly well built. Just consider its 15,000 page per month duty cycle.
- Quietly confident. We're so sure you'll love it, we back it with our Xerox Total Satisfaction Guarantee.

For the location of your nearest Xerox reseller, or for more information, visit our web site or call: United States and Canada **1-877-362-6567**, other regions see your local Xerox or Fuji/Xerox representative.

Note: The Total Satisfaction Guarantee is available in the United States and Canada. Coverage may vary outside these areas; please contact your local representative for details.
